ILC is pleased to announce our latest venture, recently established in Singapore and a partnership between ILC and some of the most recognized and respected players in the regional golf development and management scene.

With a team of specialists in the field of agronomy, course design, golf operations, teaching, retail, membership sales, food and beverage and club house operations, The Golf Group is providing a one stop solution to all developers of new golf courses as well as existing projects in need of a specialist professional partner. The Golf Group will concentrate on the growing market in Asia especially South East Asia.

## 2013 Asia Pacific Golf Summit, Jakarta

A conference that takes a 360 degree look at all the aspects of the Golf Club Management industry. The conference is scheduled to be held at Jakarta from 5th to 7th of November.

Chris Wootten from ILC will be addressing the gathering at Jakarta and will share his experiences in the Golf Club Management business with all the participants. Chris would share his knowledge of best practices in the business as well as his expertise on innovative solutions for challenges faced in the Club Management business.

## Hua Hin Country Club

A new residential and club project in Thailand—The Hua Hin Country Club is the anchor of the Mahasamutr Development built around Asia's largest man made lake and designed by renowned Japanese designer Kengo Kuma.

ILC have been appointed to oversee all technical and pre opening services for the club, set to open in the last quarter of 2014. Membership sales were launched in Bangkok and was well received with a lot of keen investors.

## Resort World Manila

Resorts World Manila is adding a new 350 Guest Rooms hotel which is scheduled to open in 2017. The Spa & Wellness Facility would include an indoor pool, gym, treatment rooms.

ILC have been appointed for various stages of pre-opening spa consultancy work including Project Feasibility Studies, Concept, Planning and Design, Program Design and Development, Marketing, Image, Identity, Consultancy and Operational Support, Recruitment and Training.

## New World Hotel Projects in China

The Guiyang New World hotel is a project of the New World Group. The hotel is a 306 Guest Rooms property which is scheduled to open in 2014. The Spa & Wellness Facilities include an indoor pool, gym, studio, treatment rooms.

We are appointed for pre-opening spa consultancy work to assist the hotel team for the spa pre-opening preparation and set up.

We have begun the training and development for team members of the New World Beijing Hotel Spa team. The Spa is scheduled to open in November 2013.

# Westin Hotel, Taipei Ta Shee

The Westin Hotel located in the historically rich northern region of the Taoyuan County of Taiwan. The hotel will feature 200 Guest Rooms and is expected to open in 2015. The Spa & Wellness Facilities include fully-equipped gymnasium, saunas, steam room, plunge pools, massage facilities.

**WESTIN**<sup>®</sup>  
HOTELS & RESORTS

We are appointed for 6 stages of pre-opening spa consultancy work including Concept Planning and Design Development, Technical Development, Equipment Requirements, Program Design and Development, Tender and Testing & Commissioning.
